### Introduction

The members of the Special Education Advisory Committee (SEAC) for the Grand Erie District School Board have prepared this orientation handbook to assist you in understanding and performing your role as a SEAC member. SEAC is a committee of the Board that includes:

- trustees
- special education staff
- representatives of community agencies serving individuals with special needs
- representatives of parent organizations advocating for children with special needs
- representatives of the community at large who have an interest in special-needs education.

Most learners are successful in the regular classroom; however, some students have exceptional needs and may require special programs and services. A learner with exceptional needs is a student whose behavioural, communicative, intellectual or physical exceptionalities are such that special education support is required.

### What is SEAC?

Special Education Advisory Committees (SEACs) were established by Ontario's Education Act, Section 206, Subsection (2), to make recommendations to their Boards about any matter related to the establishment and development of special education programs and services for students with exceptional needs. Each SEAC is responsible for examining, reviewing and making recommendations regarding the provision of special education programs and services in an advisory capacity. Some areas of focus are: philosophy and goals, policies and procedures, organizational structures, program delivery methods, services and facilities, funding, and the annual review of the Board's Special Education Plan.

SEAC members are welcome to bring the more general concerns of parents to the attention of the Board staff and trustees. All these groups work together to find solutions which meet the needs of our exceptional students. SEAC does not deal with specific questions about individual situations, which should be addressed to the child's teacher or the special education resource staff working with the child.

### SEAC Meetings

Ontario Regulation 464/97 provides direction on SEAC meetings requiring SEAC to meet at least ten times each year. Grand Erie SEAC meets from September to June of each school year.

Most SEAC meetings take place at the Grand Erie Education Centre located at 349 Erie Avenue in Brantford, usually on the third Thursday of the month, commencing at 6:00 p.m. Meetings may occasionally be scheduled to accommodate other special events, or rescheduled due to inclement weather.

SEAC meetings are open to the public, although members of the public wishing to present to SEAC must approach the committee Chair ahead of time, via the contact information provided on the second page of this handbook.

Community members may also approach any SEAC representative with a question or concern; contact information for SEAC members is provided on the [Grand Erie website](#).
